

2026 Predictions Survey Results

Survey Fielded in November 2025
159 Responses

Anticipated Change to CSR Budgets

Anticipated Changes to Grantmaking

Anticipated Trends for 2026

1. Alignment of CSR with business strategy
2. Budget tightening and decreased giving
3. Larger, fewer, multi-year and trust-based investments
4. Increased impact measurement and storytelling demands
5. Rising community need (food, housing, healthcare)
6. Employee-driven engagement and strategic volunteerism
7. Political caution: quieter activism, reframed DEI
8. Growth of DAFs and foundation centralization
9. Increased focus on AI
10. Changes in disaster relief approaches
