

CUSTOMIZED TRAININGS

TAILORED LEARNING FOR YOUR TEAM

What It Is

Customized Trainings are education-focused sessions designed specifically for your organization or audience. These paid engagements help teams build knowledge, skills, and shared understanding around key corporate social impact topics.

***If your question is, "Can you teach our team how this works?"
this is the right fit.***

Who It's Designed For:

- Corporate social impact teams
- Corporate foundation boards
- Employee volunteer ambassadors
- ERGs and cross-functional teams
- Executive leadership groups

Examples of Trainings Include:

- CSR fundamentals for new teams
- Employee ambassador program training
- Board education sessions
- Workshops on impact measurement or business alignment

What It's Not

Customized Trainings are not consulting engagements and do not include strategy development or program design recommendations.

Who Can Access It?

Customized Trainings are available to both members and non-members. Members receive preferred pricing. Please complete our [online inquiry form](#) and a member of our staff will contact you.
